Northridge Boys Cross County team placed 4th at IHSAA XC State Finals

Cross County News

IHSAA has had 79 boys cross country state finals. Northridge has been a finalist 17 times. 20 years ago the Raiders won it all in 2004.

Saturday the seniors on this team finished their season as state finalists 4 years in a row. The team ran absolute lights out with 6 (one teammate ran injured) out of 7 runners getting a new PR. Before tournament season began, these boys set a goal to get on the podium at state.

They won NLCs. They won sectionals. They won regionals. They were ranked 8, making podium was going to be close, the competition from the Indy area schools and a few southern Indiana schools was going to challenge these boys to run faster than they ever have. But with a score of 181 points they exceeded and crushed their goal with a 4th place finish. Colin finished with a new lifetime PR of 16:26. He was 119/248 runners. It was an amazing day to be a Raider

IHSAA Volleyball State finals Saturday at Ball State University
