The Lakeland Varsity Volleyball team participated in a 5 team Prairie Heights Classic Invitational Saturday. The ladies started off with strong communication and intensity but couldn't pull of a win and dropped two close sets to Northwood. From there is was a rollercoaster of emotions but perseverance can describe the day. As the team works to implement a quick and dynamic offense, beating themselves was part of the day with silly errors. As they eliminated the errors and focused on communication and intensity

Minutes later, Barkby scored her second goal, this time assisted by Ella Cripe. Continuing the pattern of two goals each, Ashlyn Cawood scored one by herself, and was then assisted by Malorie Olson with her second. Jasmine Carpenter also scored one by herself and was then assisted by Juliana Shiveley. Just before the end of the half, Malorie Olson concluded with the Lady Raiders final goal of the match. The score remained 7-0 through the second half. Goalies Lily Vasil and Jayden Templeton successfully maintained a shutout. Northridge will play their next Varsity game Thursday at home against Concord.
