Jaden Fisher 1 (penalty kick)

Tonight's score does not reflect how we played. It was like watching a brand new team from last week. All week we had drilled and drilled defense and holding our line. The defense worked well as a unit. Concord was very physical, but we stood our ground. With two penalties in the box, Justin and Jaden soared the ball past the goalie.

The 7th grade varsity volleyball team won one game out of two and played hard, but lost the match to West Side. Kara Hively had one ace; Hadley Troyer had one assist and served for 5 straight points; Ava Boals had two kills; Mia Branam had one ace and served for 5 straight points! The lady Raiders play again on Tuesday at Concord.
