- In 20 years of broadcasting on the Interent I have broadcast close to 500 game, there was days I would sometine 4 and up to 6 games in one day for all sports
- Have Broadcast all 15 years of the Interra Classic
- New Level Media has logins from all over the world and many local to here what New Level Media is broadcasting. Logins have come from as far as Japan and many counties in the South American area
- In 20 years New Level Media has had well over 50,000 log in to hear the event and this number is going up

I will start doing the following to make me a better person

- No more student interviews unless they are signing for college
- Suit jacket at all events
- Everything is done professional
  - Must look professional
  - Get the job done then leave no talking to parnets
  - Bring my owne food
    - do not ask any one for food
- Work professional the awards will come
