COVERING THE EVENT NO ONE COVERS

The last two Saturdays New Level Media Staff spent 12 hours covering high school sports. each Saturday. Last Saturday the IHSAA wrestling sectional at Elkhart with video and a Elkhart Basketball game. This past week as you see below Mark Lowry and me broadcast a lot of games more then anyone that I know of. It took a lot of time and effort to get this done. I would like to also thank 2 people that helped a lot in this coverage I could not have done any of this my self, Mark Lowry and Steve Taylor help broadcast or post scores all week.

If people could have seen my set up yesterday I had at the Elkhart Health and Aquatics Center is was great 2 computers (One to broadcast on and one to follow Trackwrestling, I pad to follow the Northridge Boys Basketball games vs Jimtown and my Phone to post scores all day long. The Northridge Middle School girls had a shootout Saturday and I even had there scores all day thanks to Justin Baugh

Does any other group that you can name do this , I do not know of any, Plus I was given permission by the IHSAA to have video of the swimming sectional and I announced the times after each event and the score. There is also a New Level Scoreboard IM for the people that went the scores that way.

People are asking for scoreboard well I post a link now to every game I broadcast where you can now get the score.

I had some people come up to me and tell me thanks for broadcasting the swimming yesterday.

In this time of COVID the media is very inportant and must be allowed to cover the events, sure there is COVID rules that have to be followed, the media need to be allowed to cover the events the best they can.

So starting this week THE NORTHERN INDIANA SPORTS AND COMMUNITY EVENTS SHOW will start airing. To start it will be once a week. In the spring it will be more. The show will cover things that other media do not have. Game broadcast will be done where no other media is broadcasting. SPORTS SATURDAY will start this Saturday with full coverage of IHSAA girls Basketball Regionals and Wrestling Semi States. There will be more Middle School girls Basketball coverage. There will be NO Girls Regional broadcast on Saturday.

Overall there will be coverage of games no one is doing this will help the people who can not go to the games at least know what is happening. Next week coverage of sports will be released today and it will look a lot different
